ARTICLE 1.        NONDISCRIMINATION

The parties mutually recognize and agree fully to protect the rights of all employees covered hereby to join and participate in the activities of LACEA, Local 660, SEIU and all other rights in the Employee Relations Ordinance and Government Code, Section 3500 through 3511.

The provisions of this Memorandum of Understanding shall be applied equally to all employees covered hereby without favor or discrimination because of race, color, sex, sexual orientation, age, national origin, political or religious opinions or affiliations, disability, or other factors not directly related to the successful performance of the job.

ARTICLE 2.        IMPLEMENTATION

This Memorandum of Understanding constitutes a mutual recommendation to be jointly submitted to County's Board of Supervisors. It is agreed that this Memorandum of Understanding shall not be binding upon the parties either in whole or in part unless and until said Board of Supervisors:

1. Acts, by majority vote, formally to approve said Memorandum of Understanding;
2. Enacts necessary resolutions and amendments to County ordinances required to implement the full provisions of this Memorandum of Understanding;
3. Acts to appropriate the necessary funds required to implement the provisions of this Memorandum of Understanding which require funding.

Notwithstanding the foregoing, in the event the Board of Supervisors fails to take all actions necessary to timely implement this Memorandum of Understanding, it is understood that the parties may mutually agree to implement appropriate provisions of this Memorandum which do not require specific approval by the Board of Supervisors.

If the parties do not mutually agree to implement appropriate provisions of the Memorandum not requiring approval by the Board of Supervisors, then negotiations shall resume upon the request of either party.

ARTICLE 3.        TERM

The term of this Memorandum of Understanding shall commence on the date when the terms and conditions for its effectiveness, as set forth in Article 2, Implementation, are fully met; but in no event shall said Memorandum of Understanding become effective prior to 12:01 a.m. on October 1, 2003. This Memorandum of Understanding shall expire and otherwise be fully terminated at 12:00 midnight on September 30, 2006.

ARTICLE 4.            RENEGOTIATION

In the event either party hereto desires to negotiate a successor Memorandum of Understanding, such party shall serve upon the other during the period from May 15, 2006, through May 31, 2006, its written request to commence negotiations.

Upon receipt of proposals, negotiations shall begin no later than June 15, 2006.

## ARTICLE 5.            RETIREMENT

### Section 1.

The parties agree to recommend jointly to the County's Board of Supervisors that, pursuant to Section 31581.1 of the California Government Code, said Board adopt a resolution that, effective July 1, 2002, and for the term of this agreement only, provides that the County shall pay to the Retirement Fund the amount necessary which, based on actuarial determination, is sufficient to fund the difference between:

- a.     The employee contributions that would be paid to said Retirement Fund during the term of this agreement if the employee contribution rates set forth in the Fringe Benefit MOU costs based on June 30, 2001, Actuarial Valuation dated March 19, 2002, by Milliman USA, were implemented, and
  
- b.     The employee contributions that would be paid to said Retirement Fund during the term of this agreement if the employee contribution rates set forth in Section 2 of this Article were implemented in lieu of the contribution rates set forth in said Fringe Benefit MOU costs based on June 30, 2001, Actuarial Valuation.

### Section 2.

The parties agree that, contingent upon action by the Board of Supervisors to adopt a resolution to implement the provisions of Section 1 of this Article, the negotiated employee contribution rates for the term of this agreement for employees who entered the            Los Angeles County Employees Retirement Association prior to October 1, 1978 shall be as

follows; provided, however, such contribution rates shall not apply to employees who are covered by the optional noncontributory plan (hereinafter referred to as Plan E) made operative for General Members of said Retirement Association on and after January 4, 1982.

1. The negotiated employee contribution rates listed below shall apply to the retirement plan for employees who became General Members of the Los Angeles County Retirement Association on or before August 31, 1977 (hereinafter referred to as Plan A for General Members):

Section 4.

The parties agree that General Members in Plans A, B, or C may not transfer to Plan E during the term of this agreement. General members in Plan E may transfer to Plan D, and General Members in Plan D may transfer to Plan E during the term of this agreement. The parties understand that jointly sponsored legislation described in Section 11 may impact the provisions of this Section.

Section 5.

The parties mutually agree that the retirement program shall be continued in a manner so that retirement contributions meet the conditions set forth in Section 414(h)(2) of the Internal Revenue Code as presently codified.

Section 6.

The parties agree to meet and confer regarding the impact of any increases in employee retirement contribution rates that may occur during the term of this agreement based on any actuarial valuation required under the County Employees Retirement Law of 1937.

Section 7.

Each newly hired employee shall become a member of Plan E, effective the first day of the month following the date of hire. Should the employee elect to become a member of Plan D, the employee must make a written election within sixty (60) days from the date of hire. If the employee makes such an election to become a member of Plan D, the effective date shall also be the first day of the month following the date of hire.

The County shall provide each newly hired employee with a written summary description of Plans D and E within fourteen (14) days of his/her hire. If such material is not provided within said fourteen (14) days, the employee shall be entitled to an additional forty-five (45) day period within which to make his/her election to become a member of Plan D. Said additional forty-five (45) day period shall commence on the date the employee actually receives the aforementioned summary description of Plans D and E.

In any case where a newly hired employee dies prior to making an election for coverage under Plan D or E, he/she shall be deemed to have elected coverage under Plan E.

For purposes of this Section 7, a "newly hired employee" shall mean an employee appointed to a position which otherwise entitles the incumbent to coverage under Plan D or E.

#### Section 8.

The parties further agree to meet and confer on the integration of County retirement benefits with Social Security Retirement Benefits in the event the County re-enters the Social Security system. The scope of such meet and confer process shall be limited to retirement benefits provided under Plans A, B, C, and D for General members and Plans A and B for Safety Members to the extent such plans cover employees who are represented by LACEA, Local 660, SEIU and impacted by said re-entry into Social Security.

Section 9.                    Early Separation Program

The combination of those requirements and potential elections are referred to as "Option 1", "Option 2", and "Option 3", respectively.
  - 1.     Option 1 (Two additional years of retirement service credit)
    - a)     Requirements for Option 1: In order to elect Option 1, an eligible employee must
      - (1)     Separate from County service on or before January 15, 1993, or other date resulting from a "contingent election window" or an "additional election window" pursuant to paragraphs C.2 and C.3 of Section 5.20.075;

b) Benefits of Option 1: An eligible employee meeting the foregoing requirements, and electing Option 1, shall receive the following benefits:

(1) Two additional County paid years of retirement service credit immediately upon retirement, provided that the addition of two years does not result in service credit which would place the employee beyond a mandatory retirement period (in which case the employee would be credited with the maximum amount of service credit up to such mandatory retirement); and

(2) Unless otherwise provided by 1.b)(3), below, accrued benefits (time certs or time the employee has accumulated on the books, such as vacation time, nonelective leave, holiday time, sick time, etc.) which are normally paid lump sum upon separation from County service, to be paid in five annual installments beginning with the month indicated in paragraph G. of Section 5.20.075:

- (3) Benefits for Separation on or before November 23, 1992: An eligible employee who separates from County service on or before November 23, 1992 may elect to receive an additional lump sum bonus payment of 8% of the employee's final annual compensation within thirty (30) days of separation or, alternatively, may elect to delay this additional lump sum bonus payment for up to six (6) months. January 1994 in lieu of the beginning installment dates set forth above. Thereafter, future annual installments shall be paid during January of the next four successive years for those eligible employees.

2. Option 2 (Alternative Severance Pay - Deferred Cash Payments)

a) Requirements for Option 2: In order to elect Option 2, an eligible employee must:

C. Employee Information and Assistance. The following assistance and sources of information shall be provided to employees:

- 1. EBAC and BAC shall develop a form for employees to assist them in computing the benefits of the ESP. However, those committees shall not advise employees on ESP.
- 2. The County will provide sufficient opportunity for employees to have questions answered relative to benefits and normal pre-retirement counseling. The County will obtain LACERA's cooperation and participation in providing such answers and pre-retirement counseling, and shall provide joint seminars for potential retirees.

- D. The County shall indemnify and hold harmless those unions who are members of the Coalition of County Unions, and their officers, agents and employees, from any and all liability arising from acts or omissions of the County or its agents, officers or employees in connection with the administration of the early separation programs implemented by the Ordinance or by this Article, provided, however, that the indemnity and hold harmless obligations set forth herein shall not apply to any liability arising from the design and provisions of such early separation programs, or from the acts or omissions of the foregoing unions or their agents, officers or employees.

#### Section 10.

The parties agree that for the term of this agreement a portion of the County contribution to the Options Plan that may be taken as cash if the employee waives health insurance coverage equal to \$244.00 is considered as earnings for retirement purposes for each employee for whom a contribution is made, whether the employee elects to take cash or not. This section shall not apply to persons hired on or after January 1, 1996. For such employees, no portion of the County contribution to the Options Plan will be considered as earnings for retirement purposes.

#### Section 11.

Following completion of 2000–2003 fringe benefit negotiations and the parties' joint sponsorship of legislation (AB 399), the Board approved and the County implemented the following changes to the retirement plans:

- A. Provided a prospective COLA for Plan E of up to 2% per year based on Consumer Price Index movement for all urban consumers for the Los Angeles/Riverside/ Orange County area (1982-1984 base). Plan E members may purchase the 2% COLA for past service at rates to be determined by LACERA, provided such rates cover the full cost of the COLA for past service.
- B. For Plan E members who retire prior to age 65, reduced to age 62 the age at which the member is:
  - (1) no longer presumed to be working in Social Security covered employment following his or her retirement from the County; and
  - (2) permitted to provide evidence of the member's Social Security primary insurance amount in lieu of the estimated primary insurance amount that would otherwise be applied in the calculation of the member's Plan E benefit. This provision only applies to Plan E members who earned Social Security credits through County employment.
- C. Indexed the pre-disability final compensation figure for a Plan E participant on Long Term Disability by the Consumer Price Index movement for the Los Angeles/Riverside/Orange County area (1982-1984 base), not to exceed 2% per year. This provision shall apply only to Long Term Disabilities occurring on or after July 1, 2001.

- D. Established Plan E early retirement factors at the current levels, regardless of future actuarial valuations.
- E. Increased survivor benefits for Plans A, B, C, and D from 60% to 65% and for Plan E from 50% to 55% for all pre-retirement and post-retirement survivor benefits. Service connected survivor benefits payable at 100% are not affected. Persons already retired and persons already receiving survivor benefits will not receive the increase.
- F. Allowed prospective transfers from Plan E to Plan D (without a service buy back requirement) and from Plan D to Plan E (without in service cash out). Members in Plan E may also purchase all, some, or none of their time for Plan D credit. Members transferring from Plan E to Plan D must serve a two year waiting period for all disability retirements. Members who transfer from one plan to another prospectively will receive the appropriate prorata share of benefits from each plan upon retirement.
- G. Increased \$750.00 post-retirement lump sum death benefit for retirees in Plans A, B, C, and D to \$5000.00
- H. Established a \$5000.00 post-retirement lump sum death benefit for retirees in Plan E.

Effective July 1, 2001, the County amended the final compensation period for Plans B, C, and D to be the highest one year.

Section 12

During the term of this agreement, SEIU, Local 660 may re-open the retirement Article to negotiate optional retirement formulas.

Section 13

The County will provide LACERA survivor benefits for domestic partners as permitted by State law.

Section 14

The County will provide retiree health insurance for domestic partners and their minor children who receive survivor benefits under LACERA.

ARTICLE 6.           LONG TERM DISABILITYSection 1.

The parties agree to recommend jointly to the County's Board of Supervisors that said Board adopt and implement through amendment to the County Code the following modifications to the County's Long Term Disability and Survivor Benefit Plan (LTD Plan) to be effective on the effective date of the amending ordinance:

- a) Existing provisions of the LTD Plan stipulate that no benefit shall be payable for any "disability resulting from, or contributed to, by mental or nervous disorder, drug addiction, or alcoholism, except while the employee is under the care of a licensed physician." The parties agree that "care" shall mean regular care under a planned program of observation and treatment by a licensed physician as required by applicable medical standards.
- b) Existing provisions of the LTD Plan require that i) an employee who is sufficiently insured for Social Security Disability Benefits be eligible for or actually receiving such benefits as a condition of receiving LTD benefits beyond the initial 24 months of benefit payments, and ii) that LTD benefits be reduced by the amount of the Social Security Disability Benefits that an LTD disability beneficiary receives. The parties agree that an LTD disability beneficiary who receives Social Security Retirement Benefits in lieu of Social Security Disability Benefits shall not have his/her entitlement to LTD benefits impaired by reason thereof, providing the reason for the individual's entitlement to Social Security Retirement Benefits is due solely to

age and not the fact that the individual is not disabled within the meaning of the Social Security Act. The parties further agree that, in such case, the individual's LTD benefit shall be reduced by the amount of the Social Security Retirement Benefit as if it were a Social Security Disability Benefit, provided, however, that no such reduction shall apply to any LTD disability beneficiary who was receiving LTD benefits prior to the effective date of the ordinance implementing the provisions of this Article.

- c) LTD benefits shall not be payable in any case where an employee has been absent from work for six months or more prior to the commencement of total disability, provided, however, that this exclusion shall not apply to any employee whose absence is due to an approved, nonmedical leave.
  
- d) After sending written notice by certified mail, should the surviving spouse fail to cooperate with the County for a period of 90 days, the survivor benefit payable under the LTD Plan shall be payable to the surviving children of the deceased employee or deceased disability beneficiary who otherwise meets all eligibility requirements. In the event that the survivor benefit is paid to the surviving children, duplicate payment for the same eligibility period shall not subsequently be payable to a surviving spouse.
  
- e) It is agreed that LTD benefits available to Plan E members are the same as those available to members of Plans A through D.

- f) Extend LTD Survivor Benefits to domestic partners. “Domestic Partner”, for purposes of this Article, shall parallel the definition used by LACERA.

## Section 2.

The parties agree to recommend that the Board of Supervisors amend the LTD plan to:

- B** provide a maximum 2% COLA for LTD disability cases commencing on or after January 1, 2001. The COLA would be based on the Consumer Price Index for all urban consumers for the Los Angeles/Riverside/Orange County area (1982-1984 base) for each calendar year, not to exceed 2% per year, commencing the first month following two years of LTD benefit payments.
- B** increase the survivor continuance benefit under the LTD plan to 55%, effective July 1, 2001.

## Section 3

LTD participants may purchase health insurance protection. Under this health Insurance protection program, the employee would pay 25% of the monthly medical plan premium while receiving LTD benefits, and the County would pay the remaining 75% from a fund financed by monthly premiums paid by the employee prior to receiving LTD benefits.

Beginning on January 1, 2005, LTD Health Insurance will be extended to the survivor (including a domestic partner) of an employee who is participating in the LTD health insurance protection

program immediately prior to death.

The full cost of the LTD Health Insurance Program, including the survivor benefit Component, shall be borne by the employees who elect this benefit. The monthly benefit cost will raise sufficient revenue to fund the program as determined by the County of Los Angeles. The definition of “domestic partner” for this purpose will parallel the definition used by LACERA.

The effective date will be January 1, 2005.

ARTICLE 7.            INJURY LEAVE

The parties agree that the benefits for persons injured in the course of employment who are not covered by Section 4850 of the Labor Code shall be those set forth in Section 6.20.070 of the County Code and that such benefits shall provide for the following:

- A.     The sum of benefits prescribed by the Worker's Compensation Laws of the State of California plus benefits provided by said Section 6.20.070 and earnings from other employment shall equal 70% of an employee's base salary for a period not to exceed one year from the date of injury or the length of his/her continuous service prior to the date of injury, whichever is less. In no event, however, shall an employee receive less than the benefits required under the law.
  
- B.     If an employee charges an absence due to work-related injury to full-pay sick leave, vacation, accumulated overtime, or accumulated holiday time pending a determination as to the compensability of said injury, he/she shall, in the event said injury is determined to be compensable, be entitled to have 70% of such benefits restored. The remaining 30% having been used to provide a higher benefit than is authorized for injury leave, shall not be restored. For purposes of this Section, restorable time shall be calculated to the nearest 15-minute increment.
  
- C.     From the time an injury is determined to be compensable until either one year from the date of injury, or the length of the employee's continuous service prior to the date of injury, whichever is less, an employee may not use any other leave benefits to

supplement benefits described in this Article.

- D. Nothing herein shall prevent an employee from using leave benefits to supplement Workers' Compensation benefits available after one year from the date of injury, or the length of his/her continuous service prior to the date of injury, whichever is less.
  
- E. The County and Local 660 shall form a Labor-Management Committee to meet and consult pursuant to County Code Section 5.04.090(A) on health and medical issues that include but are not limited to workers= compensation, temporary and long-term disability, accommodation of employees with disabling health conditions, and mechanisms to ensure compliance with County policies on health and medical issues. The Committee shall consist of no more than four members of Local 660 and four members of Management. The intent of the Committee is to meet quarterly, or more often if the parties mutually agree, and the Committee shall cease to exist on September 30, 2006.

ARTICLE 8.                    OPTIONS - CAFETERIA BENEFIT PLAN  
AND HEALTH, DENTAL AND LIFE INSURANCE

Section 1.                    CAFETERIA BENEFIT PLAN - OPTIONS

The parties agree to recommend jointly to the County's Board of Supervisors for adoption and implementation by amendment to the County Code that a cafeteria benefit plan (hereinafter called Plan or Options), pursuant to Section 125 of the IRS Code be implemented for employees covered by the MOU for the period January 1, 2004 through December 31, 2006. The Plan will operate on a Plan year basis as required by Section 125 of the IRS Code. It is the intent of the parties that this plan year will consist of twelve (12) months, January 1 through December 31 of each year. Each election period shall be an open enrollment, unless otherwise indicated.

Section 2.                    BENEFITS ADMINISTRATION COMMITTEE

- A. The Labor and Management Committee known as the Local 660 Benefits Administration Committee (BAC or Committee) will jointly administer the benefits provided to employees covered by this MOU through the Plan. The Committee shall use the Health Insurance Cost Mitigation Criteria in Appendix A as a guideline in the development and design of benefit plans.
  
- B. The Committee shall be comprised of five (5) representatives designated by Local 660 and five (5) representatives designated by Management. The Committee shall have the authority, subject to CAO and Board of Supervisors approval when required, to:

1. Develop its own internal procedures, including the scheduling of meetings and reports of contacts with insurance carriers.
2. Negotiate with carriers of County-sponsored insurance plans regarding premium rates and benefit plan design for all benefits provided to employees under the Plan.
3. Review utilization and claims experience of all County-sponsored insurance and benefits plans within the Plan, which may require access to all relevant reports, and face to face discussions with both providers and the appropriate agencies.  
  
This does not preclude the Committee from requesting similar information for other plans.
4. Engage its own consultant. If it does, the cost of such consultant shall be negotiated by the County and Local 660.
5. Recommend to the CAO which County-sponsored benefit options, (including but not limited to voluntary plans such as life, vision, group legal, educational assistance), and plan carriers will be offered through the Plan.

Members may use their individual resources to analyze, research, and develop recommendations to the Committee regarding new benefit plan options.

The parties agree that during 2004, the parties will discuss ways to mitigate premium increases for the year 2005 and beyond.

### Section 3. EMPLOYEES ELIGIBLE FOR OPTIONS

- A. Employees eligible for Options will include all full-time permanent employees who are:
1. Represented by Local 660;
  2. Employees in bargaining units covered by Local 660's Fringe Benefits Memorandum of Understanding;
  3. Non-represented employees who are ineligible to participate in the County's Flexible Benefit Plan for non-represented employees and who are ineligible to participate in the Choices Plan for represented employees.
- B. For purposes of this Plan, "full-time permanent employee" means any employee appointed to an "A," "M," or "N" item, as defined in Title 6 of the County Code. An eligible employee shall become a "Participant" in the Plan upon meeting all of the requirements for participation set forth above.

### Section 4. HOW THE PLAN WORKS

It is the purpose of the Plan to allow Participants to choose among the various benefits contained within the Plan in a manner that best meets their personal needs, and, further, to

choose, to the maximum extent permitted by applicable law, between taxable and nontaxable compensation. The benefit options available for the Plan Years 2004, 2005 and 2006 and various rules relating to those options are set forth below:

A. HEALTH INSURANCE:

Participants may purchase one of the following County-sponsored health insurance plans:

- Kaiser Foundation Health Plan
- PacifiCare Health Plan

Enrollment Rules:

1. The two County-sponsored health insurance plans (a) and (b) above will be fully open to all Participants, and their dependents, with no evidence of insurability required. The premiums in effect on January 1 of each Plan Year for the County-sponsored health insurance plans will remain unchanged for the duration of that Plan Year unless mid-year premium increases are required due to imposition of State or Federal taxes.
2. Every Participant in the Plan must be enrolled in one of the above plans or certify that he/she has other health insurance coverage. Such certification must state the name of the other insurance plan, the name of the subscriber, and the Social Security number of the subscriber.

## B. DENTAL INSURANCE

Plan Participants may purchase one of the following County-sponsored dental plans:

- Delta Dental Plan
- DELTACare
- Safeguard Dental Plan

### Enrollment Rules:

All three dental plans will be fully open to all Participants. As with health insurance, every Participant must be enrolled in one of the above dental plans or certify that he/she has other dental coverage. Such certification shall require the name of the other dental plan, the name of the subscriber and the Social Security number of the subscriber. The premiums in effect on January 1 of each Plan Year for the dental plans will remain unchanged for the duration of each Plan Year, unless mid-year adjustments are required due to imposition of State or Federal taxes.

## C. LIFE INSURANCE:

All Plan Participants will automatically receive \$2,000 of term life insurance coverage if they are members of Retirement Plan A, B, C, or D and \$10,000 of term life insurance coverage if they are members of Retirement Plan E. This coverage is fully paid by the County outside of the Plan.

Subject to the limitations set forth below, Participants may purchase optional County-

sponsored term life insurance in amounts up to eight (8) times their annual salary. Effective date of this change is January 1, 2005. Employees in Retirement Plan E may purchase up to \$40,000 of this coverage on a pre-tax basis through the Plan. Employees in Retirement Plans A, B, C or D may purchase up to \$48,000 of coverage on a pre-tax basis through the Plan. Coverage in excess of \$40,000 or \$48,000, whichever is applicable, must be purchased on an after-tax basis outside the Plan.

Employees may elect to purchase optional life insurance in increments of \$5,000 to a maximum of \$20,000 for their spouse or domestic partner. The effective date of this option is January 1, 2005. Additional coverage of lesser amounts is available for dependents and domestic partners.

- D. ACCIDENTAL DEATH AND DISMEMBERMENT (AD&D) INSURANCE: Participants may purchase County-sponsored AD&D insurance in specified amounts from \$10,000 to \$250,000, but not more than ten (10) times their annual salary. Additional coverage in lesser amounts is available for dependents.

Enrollment Rules:

Participants may increase or decrease coverage, or continue existing coverage. No evidence of insurability is required.

- .E. HEALTH CARE SPENDING ACCOUNT:

Each Participant may allocate from \$10.00 to \$400.00 per month to a Health Care

Spending Account. Limits in subsequent Plan Years shall be recommended by the Committee. Money allocated to a Health Care Spending Account may be expended on behalf of a Participant, or of his/her dependents, for "medical expenses," as defined in the Internal Revenue Code, incurred during the current Plan Year. Payments for such expenditures will be made directly to the Participants pursuant to claims procedures established by the Committee. Such procedures will provide that claims must be submitted no later than six (6) months after the close of the Plan Year in which the medical expenses were incurred.

F. DEPENDENT CARE SPENDING ACCOUNT:

Each participant may allocate from \$10.00 to \$400.00 per month to a Dependent Care Spending Account. Increases or decreases in the limits will be recommended by the Committee. Money allocated to a Dependent Care Spending Account may be expended on "employment-related" dependent care expenses, as defined in the Internal Revenue Code. As with the Health Care Spending Account, payments for such expenditures will be made directly to the Participants pursuant to claims procedures established by the Committee. Such procedures will provide that claims must be submitted no later than six (6) months after the close of the Plan Year in which the dependent care expenses were incurred.

G. TAXABLE CASH:

Any portion of any County contribution which is not used to pay for the costs of nontaxable benefits available under this Plan shall be paid to the Participant as taxable

cash.

H. ELECTION PROCEDURES

1. Eligible employees shall make their benefit elections on forms provided by the County pursuant to procedures established by the Chief Administrative Office.
2. Newly hired and newly eligible employees shall have sixty (60) days to enroll.
3. An employee shall become a Participant effective on the first day of the month following the date on which the enrollment document is submitted. A newly hired employee who fails to act within the above time limit will be deemed ineligible to participate in the Plan until the next Plan Year. For purposes of this Plan, "hired" means appointment to a position eligible for the Plan.
4. Employees who fail to submit the required enrollment documentation during an annual open enrollment within the established time frame will be subject to the default rules set forth below:
  - a) If the defaulting employee is currently enrolled in a County-sponsored health insurance plan, he/she will become a Participant in the Plan for the subsequent Plan Year, and will be deemed to have elected to perpetuate his/her existing benefit coverage relative to health insurance, dental insurance, optional life insurance, and AD&D insurance. The

"existing coverage" for this purpose will be the coverage reflected on each Participant's pay warrant on the 15th of the month immediately preceding the effective date of his/her election for all Plan Years. Such employee will not be entitled to receive coverage under a Health Care or Dependent Care Spending Account, and he/she will not receive any taxable cash unless the cost of his/her perpetuated nontaxable benefit coverage is less than the amount of the County contribution.

- b) If the defaulting employee is not enrolled in a County-sponsored health insurance plan, he/she will be deemed ineligible to participate in the Plan until the next Plan Year.

#### I. MAINTENANCE OF BENEFITS

Unless otherwise agreed to by the County and the Union, all insurance coverage sponsored by the County shall retain the levels of benefits in effect on January 1, 2004 through December 31, 2006.

Effective January 1, 2003, the parties implemented a \$5.00 mandatory office co-pay for the Kaiser and PacifiCare HMO - (high option) health plans, a \$5.00 prescription co-pay for the Kaiser plan, and a \$5.00 generic/\$10.00 brand name prescription co-pay for the PacifiCare HMO - (high option) plan.

J. MISCELLANEOUS RULES:1. Unpaid Leave of Absence:

As stated above, an employee loses the monthly County contribution if he/she is not in a pay status at least eight (8) hours in the preceding month. In all other respects, however, an employee who goes on an unpaid leave of absence will continue to be a Participant in the Plan. If the employee pays for his/her insurance premiums while on leave, coverage(s) will continue and all deductions will resume upon the employee's return to an eligible pay status. However, if the employee allows his/her insurance coverage(s) to be canceled, when he/she returns to an eligible pay status coverage(s) will resume with a new effective date which will be the 1st of the month after the employee has been in a pay status at least eight (8) hours in the preceding month.

2. Breaks in Service:

An employee who breaks service and then re-enters during the same Plan Year will be required to complete the current Plan Year with the benefit election in place at the time of the break. If the employee returns during a different Plan Year, he/she will be treated as a new hire. An employee who breaks service and who has elected coverage under the Health Care Reimbursement or Dependent Care Reimbursement options will be deemed to be a Participant in the Plan through the end of the current Plan Year for the limited purpose of claiming any amounts set aside for said benefits prior to the break.

### 3. Change in Family Status:

An employee must submit a Change Form to his/her Human Resources (Personnel), Benefit Services Section within ninety (90) days from the date of a qualified change in family status to be eligible for any increase in, or alternate use of, the County Contribution. Changes involving increases in medical insurance premiums which are submitted after expiration of the ninety (90) days must be paid with after-tax dollars. No refund of premium overpayments will be made if a Change Form is not received within the ninety (90) day period.

The employee must check with his/her medical plan as to the time period in which that plan will accept a change in family status without proof of insurability, which may be less than ninety (90) days.

## Section 5. CONTRIBUTIONS

The County will make contributions on behalf of each Participant pursuant to the following three rate structure for the term of this agreement:

<u>Coverage</u>	<u>Monthly Contribution</u>		
	<u>2004</u>	<u>2005</u>	<u>2006</u>
Employee who waives health insurance coverage	\$278.00	\$253.00	\$228.00
Employee only	\$352.00	\$375.00	\$399.00
Employee plus one dependent	\$633.00	\$679.00	\$728.00
Employee plus two or more dependents	\$749.00	\$802.00	\$860.00

In addition, in Plan Years , 2004, 2005, and 2006, the County will buy down the premium of any County or Union sponsored health plan so the premium is decreased \$6.00 per month for employee only coverage, \$9.00 per month for employee plus one dependent coverage, and \$11.00 per month for employee plus two or more dependents coverage.

No employee may receive multiple contributions from the Plan, the Choices Plan, the Los Angeles County Flexible Benefit Plan, or any other County contribution toward any health or dental insurance plan during the same month. An employee who would otherwise be eligible for more than one such contribution during any month will be entitled to the contribution to which his/her status on the last day of the month entitles him/her.

If an employee's nontaxable benefit selections cost more than the amount of the applicable County contribution, the difference will be made up with pretax salary reduction contributions. Salary reduction contributions are additional contributions made by the County in exchange for an equivalent reduction in an employee's taxable compensation. No County contribution or salary reduction contribution will be made on behalf of any Participant if he/she has not been in a pay status for at least eight (8) hours during the preceding month. Unless otherwise required by State or Federal law, salary reduction contributions shall have no adverse effect on County retirement benefits authorized by the 1937 Retirement Act, or any other employee benefit.

#### Section 6.                    DELTA DENTAL SUBSIDY

Beginning January 1, 2004, the premiums for these plans will be on a three tier basis. For

each month of the term of this contract, the County contribution to participants in Delta Dental shall be as follows:

	<u>2004</u>	<u>2005</u>	<u>2006</u>
Employee Only	\$20.59	\$20.59	\$20.59
Employee plus one dependant	\$36.02	\$36.02	\$36.02
Employee plus two or more dependants	\$56.58	\$56.58	\$56.58

If the County discontinues the buy down of Delta Dental, the cost of such buy added proportionately to the contribution rate of all Options participants, whether such participants purchase Delta Dental or not.

Section 7.            ADMINISTRATIVE FEE

A \$2.00 per month minimum fee shall be charged to each participant for the County costs to administer the Plan. A monthly administrative fee, as determined by the Committee may be charged to each participant. Such fee shall be for enrollment, communications, third party administration, etc.

The above fee shall be collected via tax free salary reduction. It is the intent of the parties that all administrative costs of the Plan be revenue neutral.

Section 8.            HEALTH INSURANCE FOR TEMPORARY AND RECURRENT EMPLOYEES

- A. The parties further agree to recommend jointly to the County's Board of Supervisors for adoption and implementation by amendment to the County Code, that the County contribution toward health insurance for certain temporary and recurrent employees who are not eligible for the Plan be as set forth below for the term of this agreement.

<u>Coverage</u>	<u>Monthly Contribution</u>		
	<u>2004</u>	<u>2005</u>	<u>2006</u>
Employee Only	\$288.00	\$311.00	\$335.00
Employee plus one Dependent	\$500.00	\$546.00	\$595.00
Employee plus two or more dependents	\$572.00	\$625.00	\$683.00

In addition, the parties agree that the County will provide the same health insurance subsidy listed above to non-student part-time employees as described below.

B. HEALTH INSURANCE SUBSIDY FOR NON-STUDENT PART-TIME EMPLOYEES

EMPLOYEES ELIGIBLE FOR PARTICIPATION

1. An employee will be eligible to enroll in subsidized health coverage if the employee is in a non-student position and is in a pay status for an average of thirty (30) hours a week for the three (3) consecutive months prior to enrollment.

An employee will be deemed to be in a pay status for an average of thirty (30) hours a week for the three (3) consecutive months prior to enrollment if:

- a. The employee is on a daily or hourly item and the employee's total pay status hours for the three (3) consecutive months prior to enrollment is equal to or greater than 378 hours.
- b. The employee is on a 3/4 or 4/5 monthly item and the employee's total pay status hours for the three (3) consecutive months prior to enrollment is equal to or greater than 534 hours.

C. INITIAL ENROLLMENT

The initial enrollment will allow for health benefits to be effective July 1, 2001.

To determine eligibility for the initial enrollment, the months of January, February and March of 2001 will be used to determine if an employee is in a pay-status for an average of thirty (30) hours a week.

D. ONGOING ELIGIBILITY

To receive a contribution to a health insurance for a month, an employee must be in a pay status for at least eight (8) hours in the prior month. An employee will be taken off this benefit effective July 1, if an employee is in a pay-status for an average of less than thirty (30) hours a week during January, February, and March.

Management agrees not to reduce work hours of such employees for the sole purpose of denying them this benefit.

Section 9.                    RE-OPENER – OPTIONS/SALARY: COORDINATED BARGAINING

At SEIU Local 660's sole option, the Union may re-open the 2003-2006 Fringe Benefit MOU, (Article 8, Options/Contributions) and the Individual Unit contracts (Salary Article) for the purpose of negotiating a shift of general movement salary dollars to increase the County's Options (Health Insurance) contribution in 2005 and/or 2006.

## ARTICLE 9.            RENTAL RATES

The parties agree to recommend to the County's Board of Supervisors that the monthly rental rates for employee-occupied County housing shall be as follows:

ARTICLE 10.        BILINGUAL PAY

The parties agree to recommend to the County's Board of Supervisors that said Board adopt and implement, through amendment to the County Code, an increase in the additional compensation which may be received, if all the conditions enumerated in Section 6.10.140 of said code are met, from \$80 per month to \$100 per month (\$50.00 per pay period) effective January 1, 2001.

The parties further agree to recommend to the County's Board of Supervisors that effective January 1, 1992, said Board adopt and implement through amendment to County Code Section 6.10.140 that temporary and recurrent employees who meet the conditions stated in said County Code shall be eligible to receive bilingual pay.

ARTICLE 11.      PAYDAYSSection 1.

The parties agree that payroll warrants, including base pay, bonuses, overtime, or any other compensation, will be issued once a month, on the 15th day of the month, for work performed during the previous calendar month. If such a day falls on a Saturday, Sunday, or holiday, the payday shall be the immediately preceding regular work day. Employees may opt to receive pay twice a month, including the Earned Salary Advance (ESA), as at present, provided they participate in the Direct Deposit Program, in which the entire semi-monthly net pay is automatically deposited directly into the employee's checking or savings account at the bank, savings and loan, or credit union of his/her choice which is a member of the Automated Clearing House. Such deposits will be made on or before the 15th and 30th days of each month.

Section 2.

The parties further agree that any employee who is paid on a monthly basis, and who is not on the Direct Deposit Program, may receive not more than one emergency ESA warrant during any calendar year upon presentation of documentary proof of a bona fide emergency to the appointing authority. Upon request of the appointing authority, not later than the first day of the month, the Auditor-Controller shall issue an emergency ESA warrant not to exceed 50% of the employee's last regular payroll warrant, provided the appointing authority certifies that the employee has sufficient time worked and/or accrued time on the books to cover the period for which the advance is made. Such warrant shall not be issued prior to 15 days after the last regular payday, and the amount of such warrant shall

be deducted from the next regularly issued payroll warrant. Emergency warrants will be issued within 5 working days after receipt of the request by the Auditor-Controller.

### Section 3.

The parties further agree that an employee who is not on the Direct Deposit Program may be paid a salary advance upon the certification of the employee's department head that such employee will be on an approved paid leave of absence of at least 10 consecutive working days extending over a regularly established payday and has sufficient time worked and/or accrued time on the books to cover the entire period for which the salary advance is made. Such salary advance shall be paid in accordance with rules and procedures promulgated by the Auditor-Controller and approved by the Board of Supervisors. An employee who opts for the Direct Deposit Program may be paid such a salary advance in accordance with existing policies applicable to twice-a-month paydays.

## ARTICLE 12        SICK LEAVE

### Section 1.

The parties agree that on the effective dates listed below, full pay sick leave shall be earned and accrued as follows:

Employees hired prior to July 1, 1986, shall, effective January 1, 1994, earn 0.050 of an hour of full pay sick leave (0.075 of an hour for employees working a 56 hour shift) for each qualifying hour of service during a pay period. Qualifying hours include all active service hours, but do not include regular days off or overtime. Full pay sick leave earned is available for use on the first day of the subsequent pay period. There is no change to the maximum number of days of full pay sick leave that may be earned each calendar year. Employees will no longer receive a lump of sick leave on January 1 of each calendar year. Such employees will receive, on January 1, 1994, a number of days of special usage only sick leave on a one-time only basis. This number of days is equal to such employees' annual maximum number of full pay sick leave days. This special sick leave can be used only after all other full pay sick leave subject to 50% payoff at termination is used, (that sick leave earned on or after January 1, 1971), but may be used before full pay sick leave subject to 100% payoff is used (that sick leave earned prior to January 1, 1971). This special sick leave is not paid off at termination. Upon termination, an employee who otherwise qualifies for payoff of unused full pay sick leave is, in addition to all previously accrued and unused full pay sick leave, paid off for 50% of his or her current annual maximum number of sick leave days less any full pay sick leave taken in the year of termination.

Employees hired on or after July 1, 1986 shall, effective upon the implementation of phase 2 of the County-wide Timekeeping and Payroll-Personnel System (CWTAPPS) earn 0.050 of an hour (0.075 of an hour for employees working a 56 hour shift) for each qualifying hour of service worked during a pay period. Full pay sick leave earned is available for use on the first day of the subsequent pay period. There is no change to the maximum number of days of full pay sick leave that may be earned each calendar year.
